Service-Learning Supervisor Evaluation

Dear Supervisor,
Thank you for facilitating a learning experience for future social workers. In an effort to strive continuous quality improvement, we need your input regarding the performance of the student you supervised and the service-learning experience in general. Please complete the following information.

Agency Name

Student's Name

Hours completed _____

Date of completion _____

Briefly describe the following areas regarding the experience.

Student's interest to social work principles within the agency/organization

Assessment of student's behavior within the agency/organization setting

Student's strengths with regard to social work values and practice principles

Areas for improvement with regard to social work values and practice principles

Would you willingly consent to facilitating future service learning experiences?
Please explain.
